

MACKEVISION

Senior Animation Artists (m/f)

Mackevision Medien Design GmbH with headquarters in Stuttgart is a creative and a system partner for visual communication. Experts for 3D visualization, animation, post production and visual effects we design and produce high-quality video and film material. We develop independent system solutions for picture generation. Our customers are international creative agencies, film productions and customers in the automotive, architecture and consumer goods industries as well as in science. From data visualization to creative design to the implementation of projects, Mackevision offers all processes of computer-based video and film generation.

Founded in 1994, the company employs more than 130 people at its offices in Stuttgart, Munich, Detroit, Los Angeles and Tokyo.

As soon as possible we are looking for Senior Animation Artists (m/f) to support our 3D production.

What you may expect

- Demanding projects, mainly in the automotive sector
- Prestigious clients with the highest standards regarding quality and aesthetics
- Working self-dependent in a young, motivated and supportive team
- Significant opportunities for personal advancement
- Insight into and work with sophisticated in-house tools

Qualifications / Requirements

- Interest in high-quality technical visualizations
- Experience with complex pipelines
- Team-minded
- Must be able to work alone and structured
- Quick learner
- Helpfulness
- Enjoy challenges

You are outgoing, committed and a good team player? Then we're looking forward to receiving your application - Preferably by email. Please provide your salary expectations.
