

SENIOR IT SYSTEMS ENGINEER

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.

RESPONSIBILITIES

- Implement, run and maintain key technologies with Windows and interfaces to Linux, MacOSX infrastructure and mobile ecosystems
- Implement key technology components, including high-performance graphics workstations, render farms, high-performance storage systems, etc.
- Support in evaluating new and innovative approaches for core IT infrastructure development
- Server and cross-platform network services administration of a modern and secure infrastructure (e.g. AD, LDAP, DNS, DHCP, RADIUS, NFS)
- Conduct monitoring and reporting activities of the IT infrastructure

QUALIFICATIONS

- Long-term professional experience as systems engineer in highly complex and heterogeneous IT infrastructures
- Very sound knowledge in implementation, operation and maintenance of Windows and Linux architectures as well as in the Mac OSX environment, network infrastructures (e.g. Ethernet, VLAN, switching, routing, TCP/IP), high-performance storage platforms including high-performance playback, virtualization (e.g. VMware, KVM, OpenVZ), automation framework (e.g. Puppet, Chef) and scripting (e.g. Scripting, Python) and relevant software products (e.g. manufacturers such as Autodesk, The Foundry, Adobe).
- Strong communication and organization skills as well as hands-on mentality
- Very strong written and spoken German and English skills

WHAT WE OFFER

- Development opportunities in a growing company
- Continuing training in and outside your field of specialization
- Friendly team of experts with a sense of humor
- Modernly equipped offices in central city location
- Subsidy for company pension schemes, public transport and parking
- Various company events such as Christmas party, summer party, open seminar program, team events, and much more.
