

## TECHNICAL DIRECTOR

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.

### RESPONSIBILITIES

- Play a key role in the evolution of workflows in our production pipeline
- Analyze and optimize existing workflows and work together with lead artists and supervisors to develop new and efficient workflows.
- Work with premium sector customers who demand the highest standards of quality and aesthetics.
- Define tool requirements and specify technical measures
- Create tools and scripts, test them and release them for production in cooperation with developers
- Support 3D Artists in technical issues and provide troubleshooting assistance.
- Document and present technical innovations and updates to the team.

### QUALIFICATIONS

- Independent, organized, work attentively and have a keen interest in technically demanding workflows and pipelines.
- Motivated to work with new processes and software and make work easier for others
- Degree in CGI is a plus, but a lateral entry is also possible.
- You have good to strong knowledge of 3D software, ideally 3D Studio Max and V-Ray.
- Experience with programming languages like Python and Maxscript
- Ideally have already done visualizations for automotive customers
- Have a strong command of English and German

### WHAT WE OFFER

- Development opportunities in a growing company
- Further training measures in and outside your specialist area
- Friendly team of experts with a sense of humor
- Modernly equipped offices in a central city location
- Subsidy for company pension schemes, public transport and parking spaces
- Various company events such as Christmas party, summer party, open seminar program, team events, and much more.
