

## 3D ARTIST

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.

### RESPONSIBILITIES

- Implement projects from the automotive sector in a technically advanced pipeline
- Work for customers from the premium sector, with the highest demands on quality and aesthetics.
- Work on your own as well as in a highly motivated team
- Take part in the further development of workflow and production pipeline while keeping the workflow documentation up to date.
- Take care of the shading and lighting of vehicles, paying attention to a cleanly designed layout of scenes.
- Create renderings and review your work with pre-comps in Photoshop or Nuke
- You work closely with Lead Artists, Supervisors and Art Directors

### QUALIFICATIONS

- You are independent, organised, work carefully and have a keen interest in technically demanding workflows.
- You have an excellent eye for light, shapes, details and very good visual imagination
- A completed degree in CGI is a plus, but a lateral entry is also possible.
- Ideally, you have already done visualizations for customers from the automotive sector.
- You have good to very good knowledge of 3D software, ideally 3D Studio Max and VRay.
- You have very good command of English and German

### WHAT WE OFFER

- Development opportunities in a growing company
- Further training measures in and outside your specialist area
- Friendly team of experts with a sense of humour
- Modernly equipped offices in a central city location
- Subsidy for company pension schemes, public transport and parking spaces
- Various company events such as Christmas party, summer party, open seminar program, team events, and much more.
