

## CREATIVE CONCEPT 3D ARTIST

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.
