

3D ALLROUND ARTIST

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.

RESPONSIBILITIES

- Work independently and as part of a team on creative POCs, films and campaigns that set new standards in product staging.
- Develop creative concepts for our clients, especially in the automotive and consumer goods sectors
- Advise and support our team on 3D-related issues
- Continually work to take our visual quality to the next level.

QUALIFICATIONS

- Long-standing professional experience and professional handling of 3D programs, preferably 3DsMax and Vray
- Ideally have experience in creating complete digital worlds.
- Have a feel for staging and storytelling
- Use Adobe Creative Suite with confidence
- Love to take beautiful pictures and the best is only just good enough for you
- Accustomed to delivering results that you can create independently for presentation purposes
- Able to translate your ideas into text or images in a short time
- Bring in your ideas and suggestions proactively
- Like working in a team
- Always looking for a challenge to create something new

WE OFFER

- A motivated and friendly team with a sense of humor
- An interesting, independent and varied job
- Opportunity to actively participate in a young and dynamic company
- Modernly equipped offices in central city location
- Subsidy for company pension schemes, public transport and parking spaces
- Various company events (open seminar program, mystery lunch etc.)
